

Sign up for Automated Payment Today (Scheduled Direct Debit)

A new premium payment method for your Financial Protection products called **Scheduled Direct Debit ACH** (Automated Clearing House) is now available. This new payment method allows you to have your monthly premium automatically processed by UnitedHealthcare.

Benefits include:

- **Continuous coverage**–The Scheduled Direct Debit ACH ensures there are no laps in coverage due to late payments–your premium is paid on time, every time.
- **Administrative ease** – No more wondering if you have envelopes, stamps or checks on hand to make a manual payment.
- **Secure transaction** – Automatic premium payment is a safe transaction, protecting you and your hard-earned money. Scheduled Direct Debit is a fund transfer system with national rules, standards and procedures that allows financial institutions to make electronic payments on behalf of its customers.

Signing up is easy:

- Log into the Financial Protection eBill / eAdministration system (www.uhcfinancialprotection.com)
- Click on the “View/Update Invoice” tab
- Click on “Manage Payment Method”
- Choose “Add Scheduled Direct Debit Payment Method” and follow the instructions

Welcome,

UnitedHealthcare® eAdministration
